SPENCER

Extent of proven English ancestry. 7088017

1. JOHN SPENCER, born probably within a few years after 1500, buried at Edworth, co. Bedford, 9 June 1558; married Anne, perhaps Merrill, who was buried at Edworth 16 June 1560.

John was called "senior" at burial. The recorder in entering the burial of Ann Spencer, widow, paid her respect by the following tribute: "the good hospitallity keeper; and she did give to the towneship of Edworth ii of her best bease (beasts) to be lett to ii poro folks in the towne for iiis. a cow & the parson & church warden to have the letting of them & the distributing of the money to the poore & to se the stock meinteined etch of them to have iiii d. of the vi s. for ther paynes to se this truly done acording to her last will."

Her will, dated 13 June 1560, proved 21 Apr. 1561, calls her Widow, in Edworth, Beds., and names her son Gerard (aged 17); son Michael, to have the chest that was his brother John's; John Spencer, son Michael's child, to have £20; Elisabeth Lymer, to have £4 at marriage; Alice Aystin, to have a calf; servants; for the mending of "London Brygge waye," 10 s.; brother Edward's children, to have the £ 1 that he borrowed of her; Nicholas Merryll and John Merryll his brother, to have the barley their father gave her sons; and the poor of Edworth, to have the gift already mentioned. Michael Spencer was a witness.

From this will we gain the impression that our Spencer family at that period was of the yeoman class, and somewhat better off than the average village family of the time and place. Whether they were in origin a younger branch of an older gentry family, or a more humble clan which by industry and good fortune had improved its lot, we are not in a position to affirm. It would be necessary to prove the parentage and more remote ancestry of John Spencer, Sr., by documentary evidence, before claiming any specific connection with any other Spencer family in England. From the terms of the will, it would seem that Anne's brother was Edward Merryll or Morrill, and that this was her maiden name. A search of Morrill wills might confirm this conjecture.

Children:

i. Michael b. probably 1530-1535.

ii. John, bur. at Edworth, 21 Apr. 1560, as son of Ann Spencer, widow.

iii. Gerard b. ca 1543; d. at Biggleswade, Beds, ca 1577; m. at Edworth, 30 July, 1568, Ellen Whyston. His will, dated 8 July 1576, proved 20 May 1577, calls him of Biggleswade, yeoman, and names son Richard, under 21 (to have £60; daus. Agnes and Johan Spencer (under age) and child unborn, to have 40 marks apiece at 18 years; wife Elen; god-daughter Johan Spencer, by brother's dau. (to have £1); brother Michael Spencer (to have 5 marks); wife Helen and brother Michael, executors. (P.C.C.Doughtrey, 19.)

2. MICHAEL SPENCER, born probably 1530-1535, living in 1599; married first, at Edworth, Beds, 20 Jan. 1555/6, Agnes Limer, who was buried at Edworth, 23 Feb. 1561/2; married second, about 1563, Elizabeth ———————, who was buried at Stotfold, Beds, 18 Nov. 1599, as wife of Michael Spencer, signifying that he was then alive.

The division of Michael's children between the two wives is somewhat different from what might be inferred from the Rev. Mr. Holding's book, because of the discovery of the burial of the first wife, Agnes, early in 1562. The name of the mother is not stated in the Edworth baptisms, but Elizabeth is stated as mother of two children, Gerard and Richard, who were baptized at Stotfold. We therefore assume that Elizabeth was mother of the other children who were born after 1562 and before the birth of Gerard in 1576, though it remains possible that there was a second, unknown, wife between Agnes and Elizabeth.

The removal of the family from Edworth to Stotfold occurred between 1571 and 1576.

SPENCER

English Ancestry

Children of Michael Spencer, by 1st. wife, born at Edworth.

i. John, bapt. at Edworth, 20 Apr. 1557, married and had a family, but the records have not been found; had 2 sons, Daniel & Francis of Ldn.
ii. Michael, bapt. at Edworth, 27 May 1558; bur. 15 Apr. 1560.
iii. Anne, bapt. 24 July 1560.

Children, the last two certainly, the others probably, by Elizabeth.

iv. Joan, bapt. at Edworth, 21 Aug. 1564.
v. Alice, bapt. 30 Aug. 1566.
vi. Catherine, m. ——— Bland, and had daus. Sarah and Anne.
vii. Thomas, bapt. 12 Mar. 1571, bur. at Stotfold, co. Bedford 13 June 1631, marriage not found.
viii. Gerard, bapt. 20 May 1576, mar. Alice Whitbred.
ix. Richard, bapt. 9 July 1580; d. London end of May or beginning of June 1646. Evidently unmarried.

3. GERARD SPENCER, baptized at Stotfold, co. Bedford, 20 May 1576, died before 1646; married at Upper Gravenhurst, co. Bedford, 10 Nov. 1600, Alice Whitbread or Whitbred, who belonged to a family of some prominence. It seems quite possible that Gerard and his family moved from Stotfold some years before the emigration of his sons to New England; perhaps to London, where his brother Richard had become a prosperous haberdasher.

Children, recorded at Stotfold:

i. William, bapt. 11 Oct. 1601, died at Hartford, Ct., 1640, married Agnes (probably Tucker), who mar. second, William Edwards, by whom she became ancestress of the noted Edwards family.
ii. Elizabeth, bapt. 31 Oct. 1602; mar. ——— Tomlins.
iii. John, bapt. 22 Jan. 1603/4; almost certainly d. young or without issue before 1646, since neither he nor his heirs are named in the will of his uncle Richard which gave a large legacy to each of his three surviving brothers and the same amount to the children of his deceased brother William.
iv. Henry, bapt. 11 Aug. 1605; bur. 20 Oct. 1607.
v. Thomas, bapt. 29 Mar. 1607, d. at Hartford, Ct., 11 Sept. 1687; mar. 1st., Ann Deriffield, b. about 1610; mar. 2nd., 11 Sept. 1645, Sarah Bearding; who d. before 1674, dau. of Nathaniel Bearding.
vi. Richard, bapt. 11 Dec. 1608; bur. 6 May 1614.
vii. A son, bur. 24 Mar. 1609/10.
viii. Michael, bapt. 5 May 1611, d. Lynn, Mass., in 1653; mar. Isabel ———, who d. at Salem, Mass., 9 Oct. 1674, having mar. 2nd., Thomas Robbins.
ix. Gerard, bapt. 25 Apr. 1614, d. at Haddam, Ct., in 1685; mar. 1st., Hannah ——— who died before her husband made his will in 1683, and perhaps much earlier.

# DEATH OF AN OLD LANDMARK

A correspondent at Mira Bay informs the Herald of the death of one of the old landmarks of that part of the county, Mr. Edward Dillon, Sr.; which event occurred at his late residence, Round Island, Mira Bay, on Thursday, the 9th. ult. He was born at Mira Bay on the 21st. of February, 1805, and was therefore, at the time of his death, within a few days of having completed his 88th year. He was of North of Ireland descent his grandfather having emigrated with his family and settled in Pennsylvania a few years previous to the breaking out of the revolutionary war. His father when a mere lad was taken captive by the indians in the days when they often used to attack the white settlers of that colony, and after being in captivity for about three years, he was at length ransomed from amongst them by Commodore Andre, then engaged in fighting against the Americans on Lake Champlain in their war with Great Britain. Mr. Dillon's father having then entered her majesty's service, fought in several hard engagements under the named commodore. Mr. Dillion's mother was a daughter of Sergeant Charles Martel, who fought under General Amherst in his final siege and capture of old Louisburg in 1758, and whose descendants form the several branches of the numerous family of that name who are still residing in different parts of this county. Mr. Dillon's lifetime embracing nearly a century of our country's history, his retentive memory enabled him to relate much that was interesting, not only respecting the siege and capture of that once famous city of Louis le Grand, as he has heard them from his veteran Grandfather. Mr. Dillon was a man well and favorably known in this part of the county. Honesty, truthfullness, kindness of heart, firmness and decision of character were prominent traits in his disposition. He also firmly believed in practical religion, ever striving to frame his life and conversation by the directions of God's Word. His funeral was one of the largest ever seen in the settlement. Revs. Messrs. Wetmore and Lockyer both being present and performing the funeral services. He leaves three sons, and three daughters, together with grandchildren and great grandchildren to mourn their loss.

We have found no probate for this Jared, nor births or baptisms of his children, hence the record of this family is incomplete and in part conjectural. On 6 Sept. 1753, Elizabeth Spencer of Wallingford, widow of Jared of Haddam, sold land laid out to Capt. Thomas Shailor (Haddam Deeds, 6:45); this deed was witnessed by Jared and Peleg Spencer, and since they appear as young adults in Wallingford (Meriden Parish) records of this period, we have no hesitation in placing them as sons of Jared and Elizabeth.

John Spencer of Haddam joined a number of Shailor heirs, 27 June 1774, in conveying land laid out on the right of Capt. Thomas Shailor; on 10 Mar. 1791, still of Haddam, he sold two parcels there, one being his homestead bounded on two sides by Shailor land, and on 20 Aug. 1792, being then of Durham, Conn., sold his last Haddam land (Haddam Deeds, 11:361,362,443); he was of Haddam when he first purchased in Durham in 1791 (Durham Deeds). Hence we place him as a probable son of Jared; and since Stephen Spencer was already living in Durham ahead of John and is not otherwise placed, we include him as a possible brother of John and son of Jared. Asa Spencer was a man of high literary culture, prominent in science and art and especially eminent as an inventor. Of his many inventions, the Geometric Lathe, used for engraving the intricate designs on the face and back of bank notes, the most effective preventive against counterfeiting, and the Medallion Ruler, for making engraved copies of medals and coins, were the most important and brought him much credit and fame.

The Franklin Institute of Philadelphia elected him a life member, Oct. 1, 1832, and, on Nov. 14, 1833, awarded him a medal for specimens of medal ruling. He was also elected a life member of the Academy of Sciences.

His death, which occurred after a few days illness, was much lamented and a monument was erected in Philadelphia by his friends and associates in scientific bodies, bearing the following inscriptions

In Memory

Asa Spencer
An Eminent Engraver
